Your Cambridge English Certificate

Dear Candidate

Congratulations! You have recently taken a Cambridge English Exam. Enclosed please find your personal certificate, issued by Cambridge English Language Assessment, which is part of the University of Cambridge.

Cambridge English Language Assessment offers the world's most valuable range of qualifications for learners and teachers of English. Over **4 million people take our exams each year** in more than 130 countries. **Over 13,000** universities, employers and other **organisations** around the world **recognise Cambridge English Qualifications** as proof of English language ability. In Switzerland, the Cambridge Certificates have also gained high recognition.

In addition to your certificate, you will find a **complementary sheet** that provides additional information and helps you and your future employer to **interpret the certificate correctly**. We would like to encourage you to add it to your CV when applying for a job.

If your performance is below or above the level of the exam you have taken, your achievement will be recognised with a Cambridge English Certificate stating that you have demonstrated ability at a lower or higher European level. The name of the exam you have attempted (e.g. FCE, CAE, etc.) will only be on your certificate if you have passed. For more information, please check the back of your certificate.

Further information about the recognition of your certificate can be found on our website:

www.cambridge-exams.ch
